

### WHERE WE WORK

Every year, **World Vision International in Viet Nam** directly impacts the lives of over **200,000** vulnerable children through a comprehensive programme approach and focused advocacy efforts.

Australia	Malaysia
Austria	Netherlands
France	Singapore
Germany	Switzerland
Hongkong	Taiwan
Japan	United States
Korea	

**14** CITIES/PROVINCES  
**25** AREA PROGRAMMES  
**10** MICRO-FINANCE BRANCHES  
**10** SPECIAL PROJECTS

We work mostly in the mountainous areas where high child vulnerability is reported.

Our commitment is to the most vulnerable children. In 2023, **94.7%** of the most vulnerable children identified in our working areas were reached and served as per their specific needs.

### CHILD WELL-BEING STATUS IN VIET NAM

Children under 5 being stunted<sup>(1)</sup>

Infants under 6 months old lacking exclusive breastfeeding<sup>(2)</sup>

Households in Northern mountains identified as multi-dimensional poor<sup>(3)</sup>

Children under 14 experienced physical punishment and/or psychological aggression<sup>(4)</sup>  
(within 1 month before the survey)

## TECHNICAL PROGRAMMES

Child Protection  
& Participation

Health & Nutrition

Livelihoods

Community Engagement  
& Sponsorship Plan

## CROSS-CUTTING THEMES

Disaster Risk Reduction  
& Climate Resilience

Gender Equality, Disability  
& Social Inclusion

Advocacy for  
Child Rights

## OUR CONTRIBUTIONS

### CHILD PROTECTION & PARTICIPATION

**World Vision International in Viet Nam** is committed to protecting children from all forms of abuse, violence, exploitation; and promoting child participation in decision-making.

**3,292**

child victims and children at risks of abuse and violence supported by Child Protection Committee in 30 programme districts with community-based support service - Home Visiting

**34,050**

children in **1,135** child clubs enhanced capacity through training on life skills, living values, and participating in child-led initiatives

### HEALTH & NUTRITION

**World Vision International in Viet Nam** aspires to see all children enjoy good health and thrive. To that end, we channel our efforts into reducing malnutrition for children under five through our proven-effective integrated approach.

**1,141**

children participated in nutrition rehabilitation sessions

**4,728**

pregnant women and mothers/caregivers with children under two years old were counselled on health and nutrition care

**10,463**

people gained access to basic drinking water service

### LIVELIHOODS

To sustain our impact on child well-being, **World Vision International in Viet Nam** seeks to strengthen the community and household livelihoods so that they are better equipped to improve household income and assets, have food security, and provide for their children's uncompromisable needs. This will eventually contribute to the reduction of malnourished children.

**7,236**

poor households have their economic condition improved

**16,692**

low-income families were supported in improving income and skills

### COMMUNITY ENGAGEMENT & SPONSORSHIP PLAN

**World Vision International in Viet Nam** focuses on community capacity building to sustain the effectiveness of our programmes and projects. We conduct community consultation, equip them with necessary knowledge and skills, and mobilise community participation in all of our activities.

**11,786**

trained farmers applied new knowledge of cultivation and animal raising in their agricultural activities

**3,743**

extreme-poor households were empowered through the Ultra-Poor Graduation Model

### DISASTER RISK REDUCTION & CLIMATE RESILIENCE

**World Vision International in Viet Nam** works with the communities and partners to mainstream Community-based Disaster Preparedness Plan/ Disaster risk reduction, Rapid response team, and Child-focused disaster risk reduction - Climate change adaptation models.

**26,721**

community members, including children, were trained in Disaster Risk Reduction

**486**

communities updated their disaster preparedness plans

### CHILD SPONSORSHIP PROGRAMME

**World Vision International in Viet Nam** implements the Child Sponsorship Programme in all our project areas. Every penny donated by our sponsors worldwide goes towards child well-being through our programme interventions. For every child connected with a sponsor, three more children in his/her community benefit, too.

**77,590**

children registered in the Child Sponsorship Programme

9th floor, Mercury building, 444 Hoang Hoa Tham street,
